

Accessing the Journal Fertility and Sterility Indian Edition

Fertility and Sterility is pleased to provide a special collection of articles that may be of particular interest to clinicians and scientists in India. This collection is available free of charge to all readers in India. Please go to <https://www.fertstert.org/india> this leads to the home page of Indian Edition and one can access all the issues starting from 2018.

Alternatively go to

www.fertstert.org on the home page you notice a horizontal red colored line right at the top, go along this to the extreme right hand side to reach **the search icon and immediately next to it you** notice 3 small horizontal lines this tab is **“Explore Journal”** click and scroll down the menu and at 11th position is the **“Indian Edition”** tab. Click and access all the issues.
